

Vijay Rupani

Chief Minister, Gujarat State

Apro/Jm/2021/03/22/dt

Dt. 22-03-2021

Snehi Shree Sudhirbhai,

Saprem Namaskar.

I am in receipt of the Invitation for the **Sustainability Fair 2021** being organized by the IIT-Gandhinagar. Thank you.

It was and is our Esteemed Prime Minister Hon'ble Shree Narendrabhai Modiji who started focusing on Development and Sustainable Development in particular for the overall welfare of the State of Gujarat and the entire Nation. He visualized that even the smallest citizen at the fringe of the state or country should have the benefits of the development.

I am much pleased that the Indian Institute of Technology-Gandhinagar is organizing a Fair with full focus on Sustainable Development titled "**Sustainability Fair 2021**" at **IIT Gandhinagar** on **26th March 2021**. I extend my best wishes for the glittering success of the conference and also to all who have worked hard to materialize it.

(Vijay Rupani)
